

Licensed Mental Health Therapist/Counselor

Our mission is to revitalize relationships and inspire the creation of life narratives filled with meaning and purpose.

Alliance for Healing PA is excited to announce an opening for full-time Mental Health Therapists/Counselors to join our compassionate and dynamic team at our new Arden Hills office. Our clinic is dedicated to providing specialized treatment for individuals managing trauma, anxiety, depression, betrayal trauma, problematic sexual behaviors, and chronic disorders. We pride ourselves on creating a safe, supportive, and accepting environment where clients can rebuild healthy relationships and restore hope and clarity in their lives.

Why Join Us?

- Collaborative and supportive team of marriage and family therapists, licensed social workers, psychologists, and licensed professional clinical counselors
- Diverse, welcoming, and beautifully designed clinic environment
- Commitment to evidence-based therapy practices focused on trauma, behavioral addictions, relational betrayal, and mental health resilience
- Team approach to treating clients coping with betrayal trauma and sexual addiction
- Specialization in neurofeedback to support lasting client change

Benefits:

- Competitive salaried position
- Retirement savings plan
- Health and dental insurance
- Paid vacation and holidays
- Access to training and educational opportunities
- Professional development and supervision
- Regular consultations and dedicated support staff

Qualifications:

- Licensed as a mental health professional in Minnesota (LICSW, LMFT, LP, or LPCC)
- Supervision available for provisionally licensed LMFT, LGSW, LPCC therapists
- Willingness to be trained in betrayal trauma, problematic sexual behaviors, sexual addiction, or EEG biofeedback (neurofeedback)
- Confident, competent, and creative with a strong commitment to teamwork
- Flexible to work some evening hours (schedules are flexible)
- Active license in good standing with the respective licensing board
- Adherence to professional ethics and licensing regulations
- Proficiency with the DSM for assessing and treating mental health disorders

- Strong organizational, decision-making, critical thinking, and interpersonal skills

Job Responsibilities:

- Apply diverse treatment modalities and therapy foundations effectively
- Maintain healthy work ethics and clear professional boundaries
- Collaborate effectively with team members
- Demonstrate openness to diverse perspectives and work with marginalized populations
- Commit to ongoing learning and skill development
- Manage client care including chart notes, testing results, resource identification, referrals, and follow-up
- Conduct research and training to provide high-quality services
- Respond promptly to client-related information requests and documentation needs

Alliance for Healing Support:

- **Flexible Scheduling:** Work around your preferred schedule, including some evening or weekend hours as needed to build your client base.
- **Dedicated Support:** Our support staff assists with scheduling, tech support, marketing, insurance processing, and client inquiries. Our therapists benefit from collaborative consultations and shared learning opportunities.

If you are a passionate and dedicated therapist looking to make a meaningful impact, we would love to hear from you!
